POINTS OF DIFFERENCE

OUR COMPREHENSIVE ALL-ROUND SERVICE

A combination of offering the heavy lifting of furniture removal, supported with both sustainable waste management of unwanted equipment.

UNDERSTAND YOUR EXPECTATIONS

With effective communication and ongoing collaboration, we make the relocation process as seamless as possible.

REVIEW THE SCOPE AND ITS ENVIRONMENT

A clear understanding of the move is crucial along with a strong knowledge of our working environment can save considerable cost.

PLAN AND EXECUTE IN COLLABORATION WITH CLIENTS

Critical to the planning is the management of stakeholder engagement through the life of the job.

EFFICIENT DEPLOYMENT

Our central location allows us to operate effectively moving between assignments and locations with ease and experience.

FOLLOW-UP WITH END SUPPORT

Ensure satisfaction by proactively communicating with clients to confirm expectations have been met.

REDUCE UNNECESSARY FURNITURE DESTRUCTION AND THE DISPOSAL OF OFFICE EQUIPMENT INTO LANDFILL

Rehoming unwanted furniture is an absolute priority. Today with so much waste produced by business entities and corporations, we believe every small gain plays an important contribution to reducing the environmental impact.

CORE SERVICES

- ✓ Single and scheduled pickups and deliveries including but not limited to: cabinets, shop fitouts and refurbishments
- ✓ **Commercial office and industrial factory relocations**
- ✓ Internal moves - renovations and insurance works
- ✓ **North-west and south-west transport**
- ✓ Interstate moves
- ✓ **Fleet of registered trucks and vehicles**
- ✓ Hardstand, undercover and secure storage
- ✓ **Equipment sales**
- ✓ Ethical and sustainable management of furniture

REHOMING PROCESS

- ✓ 100% of intact furniture is rehomed or repurposed unless damaged beyond repair
- ✓ **All damaged furniture is broken down in to recyclable components - typically <1% reach this fate as removalists handle the furniture with care**
- ✓ We have approx. 1000m² undercover floor storage and viewing areas with an additional over spill area of approx. 800m²+ container storage
- ✓ **Typical turnaround time to on-move furniture is 1-4 weeks**
- ✓ We have an existing buyers' network with a pre-order request register which is an aid when we are brought in for property inspections
- ✓ **The result of our rehoming efforts currently prevents 1-2 20" containers (36-72m³) per week going to land fill**
